

# Ten Foot World: Discover Deep Meaning and Profound Impact in the World God Gives You

A tree brings glory to God by simply being a tree. As long as it stays a tree, it fulfills its purpose. When it tries to become a bird, or a flower, or a mailbox, to that extent, it fails in its purpose and becomes terribly ineffective. Why is it that the entire plant and animal kingdom doesn't seem to struggle with meaning and purpose? Yet we as divinely created creatures, made in the image of an eternal God, suffer endlessly trying to find meaning and purpose in our lives; Struggling to make the most impact possible in the world around us. Through our course of endless distractions, dead-ends, and do-overs, we find ourselves going in circles, just trying to find our way. How can it be so difficult? Enter your Ten-Foot World. A world specifically created for you, with divine elements that are evident through an entertaining glance at theology, philosophy, science, and history.
