

Historical Romance: By Loyalty Divided (The Royal Series Book 1)

Love & Scandalous Seduction. All set against the backdrop of the English Civil Wars 1642 -1649. co-starring Charles Prince of Wales (Charles II) and Prince Rupert. Orphaned at royal court, Anna Lady Maitcliffe has embraced freedom from courtly restraint whilst residing at Axebury Hall Estate. Wilful and impulsive she wins hearts with ease, but Viscount Axebury duly rejects her romantic overtures, not once but twice and for good reason. Civil War is marching across England and he will soon be regarded as the enemy. Distraught by his rejection she turns to another for solace, an older suitor whom she trusts above all others. Seduced by her feminine wiles Lord Gantrys overt desire to possess her gives rise to new meaning of amour. Nonetheless she is trapped in a loveless betrothal. Fate suddenly intervenes and throws her and the viscount together, but hell lies before them and claims terrible dues in payment for their undying love for each other. Book review ST: A fabulous, intelligent tale of danger, simmering sensuality, engaging characters and amazing portrayal of period settings. County Magazine: fast-paced adventure, strong characters and vividly portrayed era of the English Civil Wars depicting decadent splendour and consequences of divided loyalties Wonderfully sensual and gloriously romantic Romance Reviews Magazine...Fabulous swashbuckling bodice-ripper. I adored this from start to finish and the hero wowed me. Although this book spans five years it never lagged on pace. Historical fact is masterfully blended with fiction. Its a page-turning read and even though its one of a series it stands well as a single read. That said Im seriously looking forward to book two...
