Uh-oh. Respectable night manager Sophie Maplethorpe is about to break and enter her own hotel. Worse, she ducks into the wrong room! But its hard to be sorry when she discovers the most sexy, mysterious guy in it. International security expert Simon Lassiter is on the verge of finding a stolen precious and pricey gem until the most criminally inept but majorly hot woman creeps into his room. Much to their soon-discovered mutual pleasure! But Simons got hard-earned savvy and sophistication. Hes not about to trust a woman who just happened to stumble into a major heist. Not even if she is willing to do anything Simon says in the bedroom.
