

Three Reluctant Promises (Mason Jar Series)

Whoever heard of a kidnapper with a sense of honor? Illegal immigrant Tommy Ramirez takes odd jobs to make ends meet after a car crash leaves him and his sisters orphaned. A bad day becomes a nightmare, when he discovers kidnapped girls in the back of his semi-truck. A victim's mother enlists his help to free the girls, and she is mortally wounded in the attempt. Bound by honor, Tommy makes three promises to her. Dodging death, deportation, and dyslexia, Tommy knows he can't keep his word by himself. When he makes a desperate grab for help, literally Ashten Mason, a cop's spitfire daughter, doesn't come willingly.
