

## Surrender [Coalition Mates 4] (Siren Publishing Allure)

[Siren Allure: Erotic Sci-Fi Romance, with M/M, HEA] Sally Owens was content to spend her life hiding in plain sight, that is...as long as no one got too close or tried to wrestle the reigns away from her. When she goes out for a night on the town, getting kidnapped and shipped out into space was NOT what she had in mind. But above all else Sally is a survivor and she soon comes up with a plan to thrive in this new world. Arkenon Quinn is informed that one of the human refugees wants to join the Courtesan Guild and of course he is curious. However, when he meets the audacious and beautiful Sally he finds himself signing up to mentor her against his better judgement. What he couldn't have anticipated is how quickly this fascinating creature would steal his heart, forcing him to do something he's never had to do before - chase a female. Will Sally's painful past keep her from finding a future with the man who's like no other she's ever met? Or will she have the strength to place her body and soul in Arkenon's extremely capable hands? \*\* A Siren Erotic Romance
