

## God in Your Morning

God woke you up. And although He thought of you this morning, did you think of Him? He thought of you when He made the sun shine through your window, the birds sing at your door, and breathed new air onto the earth. He did this because He loves you. His request: you invite Him to be part of your day. In her uplifting and wisdom-packed devotional, Ashley Ormon invites her readers to welcome God into their morning daily.
