

This Was My First Time: A Honest Confession Of My First Time With Another Man (Confessions of Boys) (Volume 1)

James, a senior college student, decided to share his first sexual experience with us. It all happened five years ago but it just feels like it was yesterday to him, because as he says in this book your first time is not something you ever forget. He was young and very willing, he was turned on and he was craving for a warm touch and hot action. James wrote everything down with the outmost honesty, even the little dirty details; he held nothing back. Its not only a really hot story he insists, it has so many intimate elements as well as some funny moments, its what really happened. Come read his story.
