

The Road to Amazing Leader Guide: Basics of Christian Practice (The Basics)

After we invite Christ into our lives, then what? What do we do differently? How do we live out our faith? How do we move from being to doing? In this book and 4-week study, readers will learn to recognize God at work in their lives through the presence of Jesus Christ. This Leader Guide includes everything a group leader needs to plan and facilitate the four sessions, helping participants to explore what they have read and to discuss the reading with the group. The guide walks leaders through the study format and provides options for tailoring sessions to the time-frame and style of each group. The Road to Amazing is part of The Basics Series.
