

Cuffed (a philadelphia love story) (Volume 1)

Cuffed is a gritty perspective on love, friendship, betrayal, greed, envy, and revenge set in and around Philadelphia. Kyle and Mack set out to get rich after life dealt them a rough hand almost from the beginning. After losing his parents to the game, Kyle leans on his friend Mack for support as they step off the porch and learn to get it how they live almost immediately. From small time hustles to strong arm robberies, these two grow up way too fast in South Philly. Things get serious when an unlikely, third member of the squad joins in on the robbery of a kingpin and things dont work out as planned. Forced to make choices that will affect not only his life but also the life of his future wife Kia, Kyle has to live with the repercussions. As the forever revolving doors of prison await his arrival the doors to his soulmates heart close. Journey with Kyle through the twists and turns his young life has in store for him as he navigates through the dark alleys and back streets of the drug game while trying to fill the void in his heart that the absence of his other half leaves behind. Kyles journey from having nothing to having it all is filled with trials and tribulations as a boy becomes a man and that man becomes a boss. Will Kyle overlook the distance time and necessity puts between him and Kia and reclaim his woman or will he choose to stay focused on the money and the new woman that wants to fill the void in his heart?
