

## Dangerous Proposition [The Pinnacles of Power 3] (BookStrand Publishing Romance)

When Julia Dyson learns her father has been abducted, she believes his hidden profession may be to blame. But when she discovers a mans name in her dads caller history, a man suspected of shady business dealings and also her teenage crush, she decides to take matters into her own hands. She confronts her fathers presumed abductor, resulting in an unforgettable kiss and a dangerous proposition indeed. In the course of one disastrous evening, diamond smuggling kingpin Colin Westwood learns that his best recruit is missing in action, and that the man has been keeping a secret--he has a twenty-six-year-old daughter. Determined to protect his identity, Colin vows to find the young woman, and keep her silent at any cost. Later intrigued to learn that she is actually the attractive woman he kissed at his brothers party he makes Julia an offer. Come to New York City with him to search for her missing father...as his mistress.
