

Tornado Terror (Dangerous Games)

Its a dream come true for Tom when Sima designs a game about escaping from tornadoes. But when their truck crashes, the trio are stuck trapped in tornado terror! This is one trip into the game world they will never forget. . . The Dangerous Games series features exciting adventure story plotlines in a graphic novel style that will hook the reader from the outset and ensure they don t put the book down until the very last page. The series is set in a computer games company and each book sees the three main characters design and develop a computer game which they then enter for realencountering exciting and sometimes deadly situations!
