

Deceit Deserves Revenge

For all of her life, Drucilla Hallmark has been battling to survive within a cruel world. Born into poverty and raised by heartless parents and jealous brothers and sisters, Drucilla thinks she has finally escaped her past when she marries. Unfortunately, she could not be more wrong. When she suspects her philanderer husband, Richard, may want her dead and that her resentful family may be helping him drive her to suicide, Drucilla makes an appointment with a Birmingham psychiatrist. As Dr. Skeet leads Drucilla back into her memories, she unsuccessfully attempts to convince the doctor that her life is in danger. But just as she is coming to grips with her reality, fate leads her to Tony Tortomasi, a handsome stranger who forces her to face the truth and makes her a tempting offer with the potential to change everything. Deceit Deserves Revenge is the suspenseful tale of one woman's emotional journey as she attempts to distinguish reality from fantasy and seeks revenge for all who have wronged her.
