

Desert Rose

Every womans motto, we dont do what we want to do, we do what we have to do. Most women have given up something for the sake of family, children, and love. Roselia Dorado knows all areas too well. She forgot how to be her own woman until the surprising unexpected return of the love of her life, Justin Drake. Wasnt it bad enough someone wants her dead, now this? Why did destiny bring him back? To save her or reconnect with the child she hid from him? Either way, neither of them makes it out the same.
