

Home Shows : The Complete Guide for Artists and Craftspeople

This book is illustrated throughout and packed with information for artists and craftspeople who want an alternative way to sell their work in their home or studio. It explains the numerous variations of home shows and how to plan one from beginning to end. This is the first book of its kind on the market. It includes sample checklists and invitations, plus a section on ways for crafters to increase their business and sources for more information.
