

Live To Fight Another Day: Finding Purpose for God and Others Through Life-Changing Events

Do the decisions you make today affect your future? God gives most of us the chance to live to fight another day. What are you fighting for? Who are you fighting against? We all must realize that each day is really a battle, a spiritual battle against the forces of evil, darkness and ungodly behavior that fight for our attention and focus. See through this story and pictures how God can use events to win these battles, with the appropriate attitude and actions. Included in the back of this book are daily Bible Reading charts that enable you to read through the entire Old and New Testament in one year and help you also to win the battle for God, others and yourself.
