

Falling (The Watcher Series) (Volume 1)

Im not some 21 year old naive thing right out of college - Im 35 and still IN college. Im not a model, or petite and toned, or have long luxurious hair - Im 54, curvy with a little extra padding, and have short, unruly hair. Im not special in any way! Im in a failing marriage, struggling to find out who I really am, and basically just trying to sort my life out. So WHY do I, of all people, have a stalker? Not just any stalker, a HOT, tall, dark and handsome stalker...who cant seem to keep his eyes, or his hands, off of me. **** Lily has felt empty, alone, and invisible for far too many years and is longing for something or someone to actually see her for a change. When Gabriel enters her life, saving her from an almost tragic experience, her life and her heart, are forever changed. *This is volume one in a series of novellas*
