

## Self-Evolution: Pain

Humility, depression, anxiety, nervousness and worry. Somewhere along the way, we've all experienced something that has given us absolute fear, pain, or tenderness. Some hurt more than others, especially when emotional pain can be more damaging than physical pain. Maxim Haven brings his debut book, *Self-Evolution: Pain*, into public view in this first installment of three. Read with him as he shares his intimate poetry that was inspired by emotionally threatening circumstances. He will take you through the adventures of heartbreak and triumph in an attempt to help others like him repair their heart and soul.
