

Merged Mandala: A Couples Mandala Project

The verdict is out. Coloring is back for adults and couples to enjoy. Take your partner by the hand and relax into a beautiful world of timeless mandalas. Each mandala is cut in half and on separate pages. You color one half. Your partner colors the other. Put them together and you now have a beautiful piece of art that reflects your relationship. The meditative act of coloring in each stunning image will add to a loving atmosphere and strengthen your lives as a couple.
