

## Voyage To Forgiveness (Blue Ridge Mountain Series) (Volume 3)

Kiersten has left Bridle Creek behind to find her father. She's hurt many people by leaving. When she meets her father, she realizes things aren't what they seem and discovers a truth too close to home. Falling in love with her father's right-hand man only complicates things more. Will she leave true love behind to do the right thing? Bridle Creek has finally begun to heal from the robberies that happened a year ago. When another one threatens the town, can they pull together or will the town fall apart piece by piece? Join Kiersten as she travels the Voyage to Forgiveness.
