

Fireproof: When life is on fire and burning out of control who will protect you?

The British Bulldog, David Seymour grew up searching for freedom. He was born in London England and made the journey to America to achieve the freedom that burned deep in his soul. He didnt know exactly how he was going to break free but he found his passion in a disaster that he never expected. In fact the whole United States didnt expect this disaster to happen.

When the 9/11 attacks hit America Dave didnt only lose his comrades... he lost his wife, his house and his job. He then discovered his inner flame that sparked his passion and spread like wild fire into achieving financial freedom and success. Dave is now running successful businesses in life coaching and real estate, in a market where everybody else is running for cover Dave is running in! In this heart pounding, action packed auto biography Dave shares how he turned his setbacks into success and how he can help you do the same. His life mission is to help as many people extinguish FEAR and run into a life of happiness, financial success and fulfillment. This book can change your life.
