

Twelve Times Through: Daily Directions for Life from the Book of Proverbs

Do you know someone who wants to avoid living foolishly? Is there someone who wants to leave others with a good impression, and perhaps, a better inheritance for those who knew them?

King Solomon was dubbed the wisest man on earth and his ancient writings, recorded in the Book of Proverbs, have often become counsel for countless individuals wanting their own lives to become increasingly significant. Since the Book of Proverbs in the Old Testament has 31 chapters, Twelve Times Through provides a daily encouragement to read the corresponding chapter and offers readers a short paragraph lifting out a concept to consider based upon King Solomons words. A brief prayer to implement the wisdom concludes thoughts from the authors. Perhaps what could become the most significant part of the book, though, is what comes next. The page has space for you to respond to what you read and prayed, space for you to practically apply King Solomons wisdom in your thought life, relationships, business practices, or to communicate with the same God who offered to counsel King Solomon. Or, if you prefer, you may use the blank space for that day as a diary, a journal, or an appointment book. It is a perpetual calendar that could be used year after year to go through the Book of Proverbs. (The sayings of King Solomon are not written out for each day, but you can find them in the Old Testament of a Holy Bible, or read them freely online at such sites as Gateway, or from nearly any Book of Proverbs search you conduct. Included in the eBook is a live link to the chapter in Proverbs from Bible Gateways website where you can select the version of the Bible you wish to use.) If you follow the prompts and read all 366 readings, one year from now, you will have had the opportunity to be counseled about most areas of your life, and you'll probably want

to continue the discipline of seeking direction from God's Word for many years ahead.
