

Orions Daughter

Orions Daughter is a deeply felt and lush narrative that explores the vulnerable and poignant moments in a young womans life. Touching on themes often not spoken about, it is a story about betrayal, teen pregnancy and the great mysteries that lie beyond our normal every day reality. Reluctantly, clairvoyant Natalie embarks on an adventure that unfolds in the beautiful tapestry of a New Jersey summer and spreads west to Colorado. Her story takes her down a new road paved with turmoil, ghostly visions, an unsolved murder and the intersection of infatuation and love.

Orions Daughter - Horse In Greek mythology, Orion was a giant huntsman whom Zeus placed among the stars as the The ancient sources for Orions legend are mostly notes in the margins of ancient poets Other ancient scholia say, as Hesiod does, that Orion was the son of Poseidon and his mother was a daughter of Minos but they call the **Jerobi**
