****On sale for just 99 cents for a limited time!**** Praise for Winona Wilder: Winona Wilder can write sex. -- Kerri, Man Oh Man Reviews ****** ...she packs quite a punch. -- Tyra, The Romance Reviews[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters] Nathan is forced to flee to the northern forests to escape the urban development. When he stumbles across wolf shifter territory, the young fox is forced into hiding. The wolves prowling the forest would want nothing better than to exterminate him and his family. His entire life is a struggle, being the lowest regarded race amongst shifters. Jacob is a proud member of the Marcelle Wolf Pack. Their main goal is to protect and expand their rule over the forests. No mercy. No weakness. When he discovers the sexy blond he fell for at the local bar is actually a fox, his world tilts off its axis. Nathan brings out his protective instincts, and for once he can see a future beyond his duty to the pack. But Jacobs alpha condemns their mixed race mating, forcing them apart. Will Jacob choose love or loyalty to his pack? ****** A Siren Erotic Romance
