

Ruth and Esther: Stories of Gods Grace (Back to the Bible Study Guides)

These fourteen study guide lessons delve into the moving stories of two biblical women who exemplified Gods grace in action. From two names you can trust—Woodrow Kroll and Back to the Bible—comes the latest in this study guide series, which is designed for personal or small-group use. Ruth and Esther is rich with material on two of the Bibles most inspiring women, both of whom experienced the divine grace that still abounds for Gods people today as they live out their own stories. Each lesson provides a passage from these Old Testament books in the ESV, along with a related devotional, a key verse, and three sections for interacting with and personally applying the content. This study guide, like others in the series, makes an excellent resource for Christians, classes, and groups at any point in their faith journey, but womens ministries and discussion groups will find these stories of Gods grace particularly inspiring.
