

Spiritual Espionage

Get on the Board! Just like pieces on a chess board, the Lord will use you, if you will let Him! The Lord wants His people to listen and obey, no matter the cost, in season and out. The Lord speaks to those who have an ear to hear. Are you one of them? Are you ready for the adventure of your life? Are you willing to get out of your comfort zone to complete your assignment for God? Will you go undercover for the Kingdom of God? Can He use you in any way that He sees fit? Have you decreed as Isaiah did, Here am I Lord, send me! Then get ready! You're going for the ride of your life as Edie Bayer did. The Lord sent Edie as a mole, undercover, undetected into the major stronghold of the enemy -- the dens of the religious spirit! Her assignment? To take back land that had been stolen by the enemy! The duration of this assignment was unknown, except to God. She had to willingly submit herself to the Will of the Father, not knowing either the path or the outcome, a walk of faith! This is a true story of one person who willingly embarked on a fabulous journey of obedience, self-discovery and spiritual growth, to the Glory of God. This story will inspire you to want to come closer and be more obedient to God.
