

Carry Me Home (Off the Map)

Years ago, Tanner Green loved Sunny Letman. She was meant to be his first kiss, first love, first everything. Then their world spun upside-down and out of control. Free-spirited Sunny doesn't do commitment. Sure, guys are great for a night or a week, but she always leaves first. That is, until professional skateboarder and town golden boy, Tanner Green, unexpectedly walks back into her life. Despite their broken history, a fragile and undeniably electric connection still holds them together. Now Tanner has to convince Sunny that even though love isn't always perfect, it's worth sticking around for. . .
