

Expect a New Miracle Every Day

When Oral Roberts realized that God was telling him to expect a new miracle every day, he wondered Would I really want or need a new miracle every day? But after remembering the words of the Lords Prayer, he began to expect these miracles as his daily bread. Oral knew that this instruction was not for him alone, but for all of his friends and partners, so he wrote out what God had shown him for everyones benefit. In this volume, he shares the five principles of expecting which you can use to receive your new miracle every day.
