

Failure: the Back Door to Success

Find the good in your failure. Failure is a fact of life, one we'd rather forget. Fortunately it has a silver lining. Failure, the Back Door to Success shows us how God uses even our sins, shortcomings, and weaknesses in His perfect plan. It will inspire you to: Learn from the past without being controlled by it. Embrace your limitations. Accept yourself as God accepts you. Be more gracious toward others. Redefine your idea of success. Easy to follow, illustrated with engaging stories, and deeply encouraging, Failure, the Back Door to Success speaks straight to the heart. It will make you feel free to try and unafraid of failing, knowing that God is the one at work in you, and that he's not finished yet. And that's the first step toward success, every time. This book is sorely needed in our overanalyzed, under-motivated, and guilt-ridden Christian society. It can be a life changer to anyone tired of the old one-step-forward-and-two-steps-backward routine. Howard G. Hendricks
