

That Night With My Best Friends Brother

I want more than one night with Aiden Taylor. Aiden Taylor is my best friends brother. Hes sexy, charming and drop dead gorgeous. He also doesnt know I exist as anything other than his little sisters best friend. However, Im determined to change that. Im Alice Waldron. Twenty-two, spunky, and adventurous. Im willing to do whatever it takes for Aiden to notice me. And Liv, my best friend, is determined to help me as well. The only problem is that I have a small secret. A secret that could make my getting together with Aiden Taylor very complicated. A secret that could make more than one night with Aiden nothing more than a dream.
