

The Art of Kissing: Pucker Up With Passion!

The dictionary says that a kiss is a salute made by touching with the lips pressed closely together and suddenly parting them. From this it is quite obvious that, although a dictionary may know something about words, it knows nothing about kissing. If we are to get the real meaning of the word kiss, instead of going to the old fogies who compile dictionaries, we should go to the poets who still have the hot blood of youth coursing in their veins. For, instance, Coleridge called a kiss, nectar breathing. Shakespeare says that a kiss is -a seal of love. Martial, that old Roman poet who hid ample opportunity to do research work on the subject, says that a kiss was the fragrance of balsam extracted- from aromatic trees; the rise odor yielded by the teeming saffron; the perfume of fruits mellowing in their winter buds; the flowery meadows in the summer; amber warmed by the hand of a girl; a bouquet of flowers that attracts the bees. Yes, a kiss is all of these ... and more. Others have said that a kiss was: the balm of love; the first and last of joys; loves language; the seal of bliss; loves tribute; the melting sip; the nectar of Venus; the language of love. Yes, a kiss is all of these . . . and more. For a kiss can never be absolutely defined. Because each kiss is different from the one before and the one after. just as no two people are alike, so are no two kisses alike. For it is people who make kisses. Real, live people pulsating with life and love and extreme happiness. In this book you will learn: Different Kinds of Kisses, Why People Kiss, Why Kissing Is Pleasant, Approved Methods of Kissing, Kisses Are But Preludes to Love, Preparing for the Kiss, How to Approach a Girl, The Technique of Kissing, How to Kiss Girls with Different Sizes of Mouths, Enjoy the Thrills of Kissing, The French Soul Kiss, Put Variety into Your Kisses, The Vacuum Kiss, The Spiritual Kiss, The Eyelash Kiss, The Pain Kiss, The Nip Kiss, Variation Kisses Are
