

Taking Control Of Money: A Young Adults Guide to Financial Freedom

Are you spending more than you earn? Are you burdened by loans and credit card debts? Would you like to be in control of your money? If you answered yes to any of these questions, then this book is for you. This book has been written as an easy-to-follow guide with the aim of getting you onto the path to financial freedom at any age. The important money management principles presented in this book's five easy-to-read chapters will help you take control of your money by making better financial decisions. Plus, you will learn how to start saving money through investments you can make as early as today. This helps you build your wealth and prepares you for the bigger things worth buying, like your first car or your first home. Get started today.
