

Flip That Sale: Find A Sale & Flip It on Amazon and Ebay

A lot of folks who sell on Amazon and Ebay are gonna be angry that I've shared this strategy, but I don't care. There's enough to go around. This book was created because I know there are people like me who NEED a simple way to make some extra money. I had to figure it out on my own. I don't have the formula for getting rich yet. But if an extra \$500-1000/month will help your family, order Flip That Sale today. Everything that you need to create your first listing in 30 minutes is here. This is step-by-step practical training - NO fluff allowed. I walk you from account setup to shipping your first order. You'll see pictures of items I purchased. I tell you exactly where I found them, what I paid and what I made.

And don't think for a second this is a stale strategy I used two years ago. I am still flipping sales. Just this weekend, while waiting for a friend, I browsed my favorite store, STAPLES. I found black dry erase boards on clearance for \$1. Regular price was \$9.99. Because they met my 75% off minimum (I explain this rationale in the book), I purchased them all. Selling online is EASY. You just need someone to give you a few pointers, and I'm willing to be that guide. There are more complex books on e-commerce that teach branding, marketing and outsourcing strategies. Read those later. If you need cash now, let me show you how to... FIND A SALE & FLIP IT
