

Phoenix Fire

A Phoenix, Arizona entrepreneur and an ad agency director fall in love in a most unusual way. Their relationship is interrupted by sibling clashes, a gambling addiction, a murder, and a matriarch's secret that ultimately causes emotional chaos and disorientation. This is a book that will draw the reader into the story and compel them to stay glued until the end. The gripping climax to PHOENIX FIRE is powerful, and tissues are recommended. Treat yourself to a marvelous romance, mixed with some suspense and a desert odyssey to save one's soul. A truly great read.
