

## Fixer Chao

A picaresque first novel about love, revenge, art, and Feng Shui. When William Narciso Paulinha, a Filipino street hustler, meets Shem C, a disreputable and social-climbing writer embittered by his lack of success, the Feng Shui scam of the century is born. Under Shem C's guidance, Paulinha assumes the persona of Master Chao, a revered Feng Shui practitioner from Hong Kong. Distorting the Eastern concept of Feng Shui -- the mystical Chinese art of creating a harmonious environment, promising its adherents peace and prosperity -- to accommodate Western demands, they peddle their peculiar brand of this holistic philosophy among New York City's elite. As this latter-day confidence man cuts a swath through upper-crust society, his biting observations form a comic portrait of class resentment and revenge. An auspicious debut, *Fixer Chao* raises questions of race and privilege, character and identity, and of what it means to be Asian at the turn of the twenty-first century.
