Here I was putting in a public bathroom till with a man fucking a girl Brit (Censored). It was my first time and I LOVED it. Jan has had her first taste and now that she has, she just can't control her craving, it's insatiable, she just loves the taste of you know what. Soon she is caught up into more than one. She's with multiple women at parties, bars and even in the bathroom stalls. She lies about her menages to her husband, who already knows about them, and for that he has a surprising punishment for all THREE girls! You must find out. Guaranteed to make you hot and slick.
