

Days of My Life: The Real Deal

This magnificent tale of a woman's experiences in her life, look inside to see what she had to say, its an attention grabbing, self motivating piece of work, and you wont regret picking out this one.....This book was inspired by GOD, a radio station (v 103 fm), and the everyday issues that this woman has dealt with. The things that she was dealing with, coincidentally was addressed by this radio station, and though she was inspired to write and share her stories, she also has learned to deal with her issues better! TAMMY J quotes, I owe it all to GOD, and thanks v103?.....
