

When It Comes To Forgiving You...

When It Comes To Forgiving You is a result of the Authors personal experiences and her ability to pull from her emotions and put into words a story of what did happen, what could have happened, and giving it an ending. Most importantly and ending to the nightmares, and the emotions that haunted her. In only 3 days, under the guidance of mentor and best selling Author Tom Bird, Natalie Rose was able to sort through her memories, and give herself a peace of mind that may have spent years in therapy to achieve.
