

## Formans Price Guide to Third Reich German Documents... And Their Values - Volume 1

After several years of intense research by Adrian Forman, Volume 1 of his document price guide is now available to compliment his popular 2nd Edition of Formans Guide to Third Reich German Awards...and Their Values. This heavily illustrated book not only shows certificates/documents for every award illustrated in the 2nd Edition, but also numerous variations and their current values. The many variants will show comparisons of official stamps and printing styles, and original or facsimile signatures in relation to date, plus, the many types of design and size. An absolute must have if your interest is Third Reich decorations!
