

Chopin (German Edition)

Von Frauen wurde er begehrt und von Genies bewundert, dennoch war sein Leben voller Scheuheit, Weltschmerz, Einsamkeit: Frederic Chopin war einer der populärsten und einflussreichsten Menschen des 19. Jahrhunderts und gleichzeitig einer der unzugänglichsten. Alfred Weissmann taucht tief ein in die Psyche und das Schaffen des großen Künstlers. Seine unvergleichliche Poetik läßt uns Chopins Musik, aus der seine ganze Seele spricht, noch einmal intensiv neu erleben und den faszinierenden Menschen Chopin aus nächster Nähe betrachten.
