

American Civil War: A State-by-State Encyclopedia [2 volumes]: A State-by-State Encyclopedia

This two-volume encyclopedia offers a unique insight into the Civil War from a state and local perspective, showing how the American experience of the conflict varied significantly based on location. Presents coverage of all U.S. states and territories from 1861 to 1865 and addresses important cities, towns, military posts, and manufacturing centers. Enables readers to understand the tremendous influence of the Civil War on civilians as well as on military personnel directly involved with the conflict. Explains the critical roles played by manufacturing and agriculture in the events and outcome of the Civil War.
