

## David Goes Home: Growing Up Gay in the Dust Bowl

The nightmare, which David thought he had escaped when he left his Oklahoma home, has come back to haunt the young, closeted Congregational Church minister. Back home for his mothers funeral, he decides to search out the source of his nightmare and his near pathological fear of being discovered to be gay. It soon becomes apparent that the specter is his hometown sheriff, who was murdered when David was a boy. As he seeks to unravel the unsolved mystery and to discover the causes for his fears he learns that the people of his Dust Bowl hometown had far more to hide than he. Praise for David Goes Home Grant Spradling, a retired Congregational minister, has penned a captivating story about a young preacher, David Ward, who is the main character in other Spradling novels. The wit, pathos, and intellect of this gay pastor draw the reader into the mystery and nightmarish search for the murderer of the clergymans hometown sheriff in the Dust Bowl of Oklahoma. The preachers love for men, self-doubt, and the struggle against the religious right of Davids upbringing transports the reader to another world and opens ones mind to the continuing conflict of the church and the gay community. Dr. F. Lee Barham, author, The Religious Right is Wrong
