In the face of consistently high divorce rates, and a culture of unhappiness in marriage, many of us wonder what the point of it all is anymore. This book starts with a brief history of divorce and looks at how the times have changed. Conscious uncoupling provides a new understanding on how to navigate a divorce while maintaining the integrity and dignity of everyone, including the children. Here is a preview of what you'll learn... Why people choose to divorce The idea of conscious uncoupling How to grieve through the loss of a partner and relationship Strategies on how to take really good care of yourself during this difficult process How to turn the grief of divorce into a personal breakthrough Strategies on dealing with children during the divorce How conscious uncoupling will lead to the development of more meaningful future relationships Much, much more! Download your copy today! Take action today and download this book for a limited time discount of only \$2.99! Check out what others are saying... This is an outstanding look at the concept of Conscious Uncoupling. I recently heard of this in the news when Gwyneth Paltrow and Chris Martin went through a conscious uncoupling. The book is honest and very detailed on how to navigate the stormy waters of divorce. I feel much better equipped to enter this new phase in my life.
