

Twelve-Gauge Guardian (Whitehorse, Montana: Winchester Ranch)

The bad news is that journalist Raine Chandler is on the run from a killer, but her luck is about to change as she catches the eye of hunky Cordell Winchester. In town on family business, the cowboy P.I. can't ignore a lady in need or resist the urge to help her solve an abduction case long gone cold. But the blue-eyed woman is herself as much of a temptation as she is a mystery. By the time a storm strands them at the Winchester ranch, Raine and Cordell decide to bare all, body and soul. Moved by Cordell's confessions, Raine makes her own shocking revelation. Now, with another girl gone missing, Cordell has to trust and protect the woman who has already stolen his heart.
