

Game of My Life New York Rangers: Memorable Stories of Rangers Hockey

Famous games and players have been the hallmark of the New York Rangers from their NHL debut in 1926 to the present day. From Frank Boucher and the original Blueshirts to Jaromir Jagr, the Rangers have thrilled their fans with some of the most memorable performances in hockey history. In this newly revised edition of Game of My Life New York Rangers, John Halligan and John Kreiser share the recollections of over twenty of the most famous names in Rangers history as they discuss the most memorable games in their careers. Boucher describes the Rangers first game; Clint Smith remembers what it was like to win the Stanley Cup in 1940; Mark Messier and the stars of the 1994 team share their memories of the games that ended the fifty-four-year Cup drought; Wayne Gretzky talks about his final NHL game; and Jagr describes his feelings about setting team scoring records. Its the best kind of anecdotal history, in which the people who made history are the ones doing the telling. Game of My Life New York Rangers takes readers inside the mind of each player and behind the doors of the locker room to reveal what really happened, and how it affected the people who were involved in some of the most memorable moments in New York hockey history.
