

Genevieve

Eric Jerome Dickey's boldly sensual new novel centers on what his fans love best: steamy romance and shocking betrayal. This is an edge-of-your-seat novel about a good man who loves his wife, Genevieve, but finds himself drawn against his best intentions into an affair with his wife's sister. Both women have a mysterious and tragic past that raises the stakes in this fast-paced novel. Genevieve hits all the crowd-pleasing notes that we have come to expect from a Dickey novel, delivered in a style that is sexy, raw, humorous, and thrilling all at once. It should once again place him on the nation's bestseller lists.
