

The Rise Of Hatred and Violence In Germany

Ultimately, as Germany continues its journey toward the 21st century, it will need to consider a German identity that embraces CSCE standards of mutual respect, understanding, cooperation and solidarity among all persons living on German territory, without distinction as to ethnic or national origin or religion. It will need to accept, as will CSCE countries as a whole, that multi-ethnic, multi-cultural societies are our destiny, and to be proud of the rich and diverse communities, cultures and traditions that Germany already has to offer
