

Hard Times [Prison Masters 1] (Siren Publishing Menage and More ManLove)

[Menage and More ManLove: Erotic Alternative Consensual BDSM Menage a Trois Romance, M/M/M, HEA] Ace Freeman is the president of Prison Masters, a BDSM club for gay males. Hes in love with cellmate Tyler Chase and guard Paul Ryder. Ace is Dominant, desiring to take both men as pets. As an experienced sub, Tyler wants to give submission to two Masters. He slips an explicit drawing into Aces notebook. Later, he blurts out his affections for Paul. Tyler hopes his actions will gain collars from both men. Underneath Pauls shy and soft-spoken exterior lies a man who lives the BDSM lifestyle. Paul is a switch. The guard desires a Master who can fulfill his need for no limits, and a pet to dominate. However, Paul knows his desires for Ace and Tyler have the potential to cost his job. A good Master cares for his pets. Ace believes that principle. Once a triad begins to form, Ace needs to find a way to ensure their love will survive even in the hard times. Note: This book contains double anal penetration. ** A Siren Erotic Romance
