

Taken (Saved by the Billionaire Bad Boy Book 1)

My name is Franklin Snow. Or so I say. Im on the run from a past as dark as my soul and secrets that could get me shot in the head. Im a loner. A drifter. My only purpose in life is not to get caught. Until Rosie Smith walks in through that goddamn door with her wild hair and fiery eyes, begging for my help. She needs a hero. Someone to save her from the man who wants her head on a spike. I should keep running. But I dont stand a chance against her sweet smile and smooth skin. Ill do whatever it takes to keep her safe, even if it means sacrificing it all. I could get caught. The FBI might finally trap me. But Ill be damned if I dont save this girl from her pain though I might not make it out alive.
