

Recovery From Church Hurts

Church can Hurt! Why? Because there are People in it! Even when working together for a common cause, we can hurt one another. Usually it is not intentional, but that doesn't make the pain any less. Frequently we hide our conflicts and offenses while pretending all is well. That decision buries our pain below the surface where it festers like an infection. Frustrated and hurting, we leave our churches. Friendships are fractured. Some give up on God. Sound familiar? Then this book is for you! * Revitalize hope that you can fully recover. * Experience freedom from lingering tension and pain. * Renew withered callings and dreams. * Re-discover God's tender heart towards you. * Find healing and restoration based upon the Bible.
