Excerpt from Holy Names: As Interpretations of the Story of the Manger and the Cross The title of this little volume refers to that wonderful list of names applied to the Son of Man in the well-known prophecy: Unto us a child is born; unto us a Son is given; and the government shall be upon His shoulder; and His name shall be called Wonderful, Counsellor, the Mighty God, the Everlasting Father, the Prince of Peace. The emotions experienced upon hearing Handels mighty chorus, in which these holy names, one after the other, are proclaimed with such power, led the author to make a special study of these five titles.
